

RE: Thank You for Presenting

We were thrilled to be able to have you with us. Thank you for your ministry during your time with us at Hope Baptist Church. We will be praying for your work as you go forward for God and in your endeavor to raise necessary funding for your mission work.

In addition, we wanted to indicate to you our intentions concerning financial support. It is possible that you could hear back from us very soon. But please don't be surprised if it takes longer. Typically our Missionary Support Team will evaluate our Faith Promise Giving with the potential missionaries who presented their ministries about once every six months. At such time, if we select to take your ministry on for financial support, we will notify you immediately.

If you desire to remain in further communication, you can contact the director of our Missionary Support Team, **Jerry Williams**. Email would be his preferred method for communication at [ev4jw2@gmail.com](mailto:ev4jw2@gmail.com). But if necessary, you can also reach him on his cell phone at (970) 685-9085.

During the meantime, would you please add [katie@hopebaptistcolorado.org](mailto:katie@hopebaptistcolorado.org) to your newsletter email list? She handles all of our missionary correspondence.

Joyfully serving Christ together with you,

The Missionary Support Team  
Hope Baptist Church  
Loveland, Colorado
